

AN INSPIRATIONAL COMPASS FOR LIFE'S JOURNEY

The Life Compass is the inspiration of a local father who wrote a message to his son going away to college. That message has been crafted into a sterling silver medal in the form of a necklace, key ring, or charm. This wonderful and timely message is aptly depicted as a compass (for our journey through life) with the initials (G, F, F, K) on the front and It's Your Journey... Choose The Right Path... on the back. The letters stand for God, Family, Friends, and Knowledge. What an outstanding message to our graduates! ❀
